Correspondence was reviewed concerning a protest of the State Universities Civil Service Advisory Committee election held on the University of Illinois at Chicago campus on October 16, 2012.

The protest was filed by SEIU vice president, Phil Martini, on behalf of candidate Regina Russell.

Public comments were voiced by Mr. Remzi Jaos SEIU Local 73 representative in support of protest. It was determined that one of the polling places had closed earlier than the time posted. At least one complaint was received by the union office from a member who could not vote due to the early closing.

Discussion ensued and it was determined by a vote of the majority that another election must be held. SUCSSAC Chair, Julie Benedict will contact the DER with the decision. Dates, times, and locations of the election will be determined by UIC.

Respectfully submitted,

Kim Kirchner
